

FUTURE

Providing Total Solutions for International Education

A partnership of **Quill** × **AAIE**

University Partnerships

Active mainly in Japan — amplified by Quill's platform reach

Short-Term Programs

Approx. 10 days
Campus visits
Trial lectures
Admissions briefings

Exchange Study Programs

Semester abroad
Half-year programs
One-year programs
etc.

Graduate Admissions

Reaching 3 million prospects
Application → entry
One-stop service

Industry-Academia

Joint research
Endowed courses
Researcher hiring
etc.

Featured Experience

Japan Study Tour

An immersive 9-day journey — top universities, real student life, and the culture of Japan

Learn at top universities

Campus visits and trial lectures at UTokyo, Chiba, Science Tokyo and more

Live student life

A day inside a Japanese high school — classes, exchange and new friends

Experience the culture

Mt. Fuji, Senso-ji Temple, tea ceremony & kimono, and a manga workshop

Discover Tokyo

Toyosu Market, Odaiba, Tokyo Tower, a theme park and a hot-spring stay

Fully guided and supported — accommodation, meals, group transport and overseas insurance arranged throughout.
